Let Us Be Your Link to Success!

Partners in the PA CareerLink® are private and public agencies, organizations or educational institutions that provide education, training and employment or support services to job seekers and employers. Our customers can obtain information regarding recruitment, hiring, economic development, employment and training in a self-service or staff assisted atmosphere.

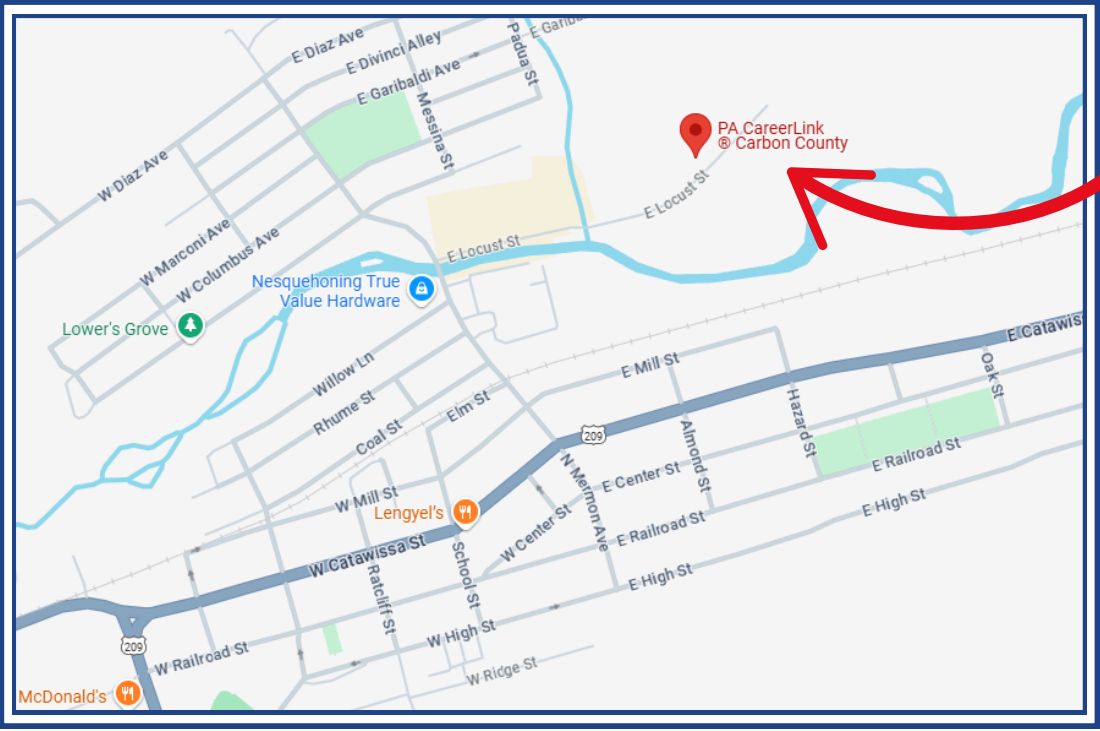

Our Mission

- To provide coordinated and comprehensive services to all job seekers.
- To meet the labor and skill needs of our area's employers.
- To coordinate service that will enhance the economic development efforts for our area.

Our Vision

To establish a unified and integrated approach to satisfy the labor and training needs of local and regional employers, and meet the needs of all segments of our area's labor pool, including youth entering the job market, adults seeking to re-enter the job market, incumbent workers, and job seekers in transition.
